THE
ARMORY
RENTAL GUIDE

PORTLAND CENTER STAGE AT THE ARMORY

The Armory was the first performing arts venue and first building on the National Register of Historic Places to achieve a LEED (Leadership in Energy & Environmental Design) Platinum rating.

Located in the heart of Portland's chic Pearl District, the lobby interiors feature a sophisticated mix of urban contemporary and classic industrial design with original brick and basalt walls and a three-story vaulted ceiling exposing original old growth Douglas Fir bow trusses. A "Fire Wall" of delicately flickering lights cascades down the center of the Meyer Memorial Trust Main Lobby, giving the illusion of candlelight in a grand cathedral. A stunning curved, open staircase leads to the Mezzanine level, set underneath the dramatic Starfield Chandelier with 156 tiny bulbs suspended in mid-air.

The U.S. Bank Main Stage plays host to a variety of programs including educational seminars, board presentations, film screenings, and of course world-class theater. The more intimate Ellyn Bye Studio is a flexible space that suits everything from innovative new productions to strategic planning retreats.

These settings provide a unique and elegant backdrop for a wide range of events, including:

- Wedding ceremonies and receptions
- Conferences, seminars and workshops
- Gala and auction fundraisers
- Corporate receptions
- Breakfast or lunch meetings
- Formal seated dinners
- Dances and performances
- Film screenings and premieres
- Trade shows
- Pre-show receptions
