Portland Center Stage at The Armory is the largest theater company in Portland and is among the top 20 professional regional theaters in America. Portland Center Stage produces 11 major productions annually in two theaters located inside The Armory: the 590-seat U.S. Bank Main Stage and the 190-seat Ellyn Bye Studio. Established in 1988 as an offshoot of the Oregon Shakespeare Festival, Portland Center Stage became an independent theater in 1994 and now attracts more than 150,000 theatergoers annually. The Armory is the first historic rehabilitation on the National Historic Register as well as the first performing arts venue in the world to achieve a LEED (Leadership in Energy & Environmental Design) Platinum rating.
