## About Portland Center Stage at The Armory

- Established in 1988 as an offshoot of the Oregon Shakespeare Festival, PCS became an independent theater in 1994 and now attracts more than 150,000 theatergoers annually.
- Of the over 500 professional, not-for-profit theaters in the U.S., Portland Center Stage is ranked one of the 20 largest theaters. (Source: Theatre Communications Group.)
- The Armory produces at least eleven major productions annually in two theaters: the 590-seat U.S. Bank Main Stage and the 190-seat Ellyn Bye Studio.
- The Armory produces a blend of musicals, classical, contemporary and premiere works.
- Just call us the “greenest” theater in America! The Armory was the first performing arts venue to achieve a LEED (Leadership in Energy & Environmental Design) Platinum rating and the first historic rehabilitation on the National Historic Register to achieve such a status.
