**Plot Summary**

A complete send-up of the holiday classic, this adult comedy is adorned with the improvisational genius of the legendary comedy troupe The Second City. *Twist* includes zany holiday sketches and uproarious improv based on audience participation — it’s never the same show twice! It has become a Portland holiday favorite, and will return in 2017 after runs at the Kennedy Center in Washington D.C. and Goodman Theatre in Chicago this past season.
